DAVID MILLER

A Message from the Mayor

It gives me great pleasure to extend greetings and a warm welcome to everyone attending the annual Sesheme Foundation Family Brunch.

The Sesheme Foundation is a non-profit organization that was formed in honour of the late Victoria Sesheme Okine, a resident of Toronto who dedicated her time and effort to help and support countless families in need. The Foundation is dedicated to creating and supporting opportunities for families to connect and learn from each other in a way that promotes cultural exchange, wellness and community development.

I believe that it is important to recognize the benevolence of individuals and organizations that work in the interest of others. The Sesheme Foundation is exemplary in this regard and has made a tremendous difference in many lives. We thank you for the work you do on behalf of the residents of our city and extend our heartfelt appreciation.

On behalf of Toronto City Council, I thank the organizers who made this event possible. Please accept my best wishes for an enjoyable brunch and continued success.

Yours truly,
