A PERSONAL MESSAGE FROM THE PREMIER

On behalf of the Government of Ontario, I am delighted to extend warm greetings to everyone attending the Annual Family Brunch, hosted by the Sesheme Foundation.

One of the strengths that sets Ontario apart is the dedication of its citizens to helping others. This defining quality is found in the Sesheme Foundation, an organization whose creation was inspired by the energy, compassion and community spirit of the late Victoria Sesheme Okine. Events like this one demonstrate the power of working at the grassroots level to assist vulnerable members of our communities.

I would like to commend the foundation for its work in providing opportunities to individuals and families to unite, share and learn from one another. Know that your efforts to build a strong sense of community are helping to make our province a better place to live, work and raise a family. I would also like to thank everyone who has devoted time and energy to making this event possible.

Please accept my best wishes for an enjoyable brunch.
